From the Director:

2020 will be the first year since the Thomas Rees Memorial Carillon was built in 1961 that there will be no International Carillon Festival. The International Carillon Festival was initiated by Raymond Keldermans, first carillonneur of the Rees Carillon who held the position from 1961 until 1979. For many Springfield residents the festival represents the start of the summer season and kicks off many other summer events in the city.

After consulting the parties involved with festival organization, the Board of Directors of the Springfield Park District and the Board of Directors of the Rees Carillon Society decided in late April to cancel this year's festival due to the COVID-19 pandemic.

Thematic Wednesday Evening Concerts, started in 2018, will continue in summer, 2020. These thematic concerts are presented every Wednesday evening at 6:30pm from June thru the end of August. Themes are quite diverse and cover many decades, and centuries of music, both popular and classical. Programs of the Thematic concerts can be found in this booklet.

Since it is unknown how long the COVID-19 pandemic and social distancing orders will last and since the pandemic affects our in-person audience; the Rees Carillon Society and the Springfield Park District have agreed to purchase equipment necessary to live-stream the Thematic Wednesday Evening Concerts. By doing so, those not able to be present in Washington Park can still enjoy these half-hour concerts. Of course, the experience of enjoying the carillon concerts live in the ambiance of Washington Park cannot be matched by live-streamed concerts. On the other hand, live-streaming allows our home-bound audience and new listeners from around the world an opportunity to hear the Rees Carillon. Acquiring the equipment necessary for live-streaming is made possible by your financial support of the Rees Carillon Society, the Carillon Belles and the Springfield Park District. On behalf of all involved parties, I want to thank you for your most generous and ongoing donations that benefit the Thomas Rees Memorial Carillon.

Carlo van Ulft,

Director Carillonneur Rees Memorial Carillon

MUSICIAN BIOGRAPHIES

CARLO VAN ULFT has been Director/Carillonist of the Thomas Rees Memorial Carillon in Springfield, Illinois, since July, 2015. Mr. van Ulft, a native of The Netherlands, holds European Master's Level degrees in organ performance, carillon performance and theatre organ performance. He served on the faculty of the "Royal Carillon School, Jef Denyn" in Mechelen (Belgium) from 1984-1997, held positions as Municipal Carillonist in four cities in The Netherlands and was Director/Carillonist of the Centralia (Illinois) carillon for 18 years before moving to Springfield.

Mr. van Ulft founded the North American Carillon School (NACS) in 2012 to serve carillonists of all ages and skill levels. The NACS now has branches throughout North America. He is an active member of the Guild of Carillonneurs in North America (GCNA) serving in the past on the Board of Directors and numerous sub-committees. In 2014, Carlo authored the book *Arranging for the Carillon* and as an arranger & composer, many of his works have been published and are in widespread circulation. In 2015, he helped produce the professionally filmed DVD *Meet the Carillon*. A frequent guest recitalist, he has played at all major carillon festivals & summer series in North America & Europe and has been an invited guest player at several GCNA congresses and World Carillon Federation (WCF) congresses. As adjudicator, Carlo has judged both nationally and internationally. He was awarded the Medal of Honor of the University of California-Berkeley in 1993 for "distinguished service to the carillon."

During the academic year, Carlo plays a weekly concert and teaches the art of carillon playing at Principia College in Elsah, Illinois. As organist, he serves the congregation of St. John's Lutheran church in Springfield, Illinois.

CALEB MELAMED studied carillon with former Springfield carillonneur Karel Keldermans and has been a frequent recitalist on the Rees instrument. In 2003, Mr. Melamed passed the examination to become a Carillonneur member of the Guild of Carillonneurs in North America (GCNA). His earlier musical background was in piano, including four years of undergraduate study at Yale University.

A resident of Springfield, Mr. Melamed is employed as an attorney by the State of Illinois. He is thrilled to be part of the musical life of a carillon that is so important to the carillon culture in North America and the world!
